MATTER DISCLOSED BUT NOT ORIGINALLY CLAIMED**

---

I John Y. Chen, as an inventor named in the application for letters patent for an improvement entitled ELASTIC-CRYSTAL GEL, Serial No. 08/863,794, filed in the United States Patent and Trademark Office on May 27, 1997, hereby declare that the subject matter of the amendments filed on or about June 14, 1999, July 14, 1999, August 12, 1999, and September 16, 1999 are part of my invention and was invented before the filing of the original application, above identified, for such invention.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to the examination of this application namely, information where there is a substantial likelihood that a reasonable examiner would consider it important in deciding whether to allow the application to issue as a patent.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
